

WebEx Webinar

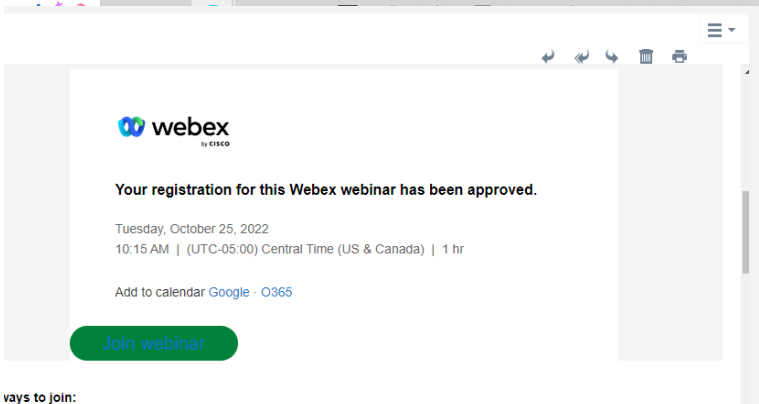

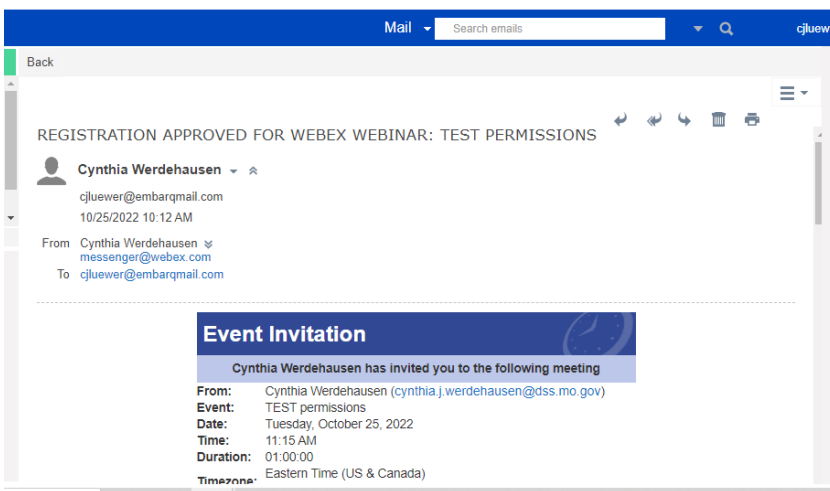

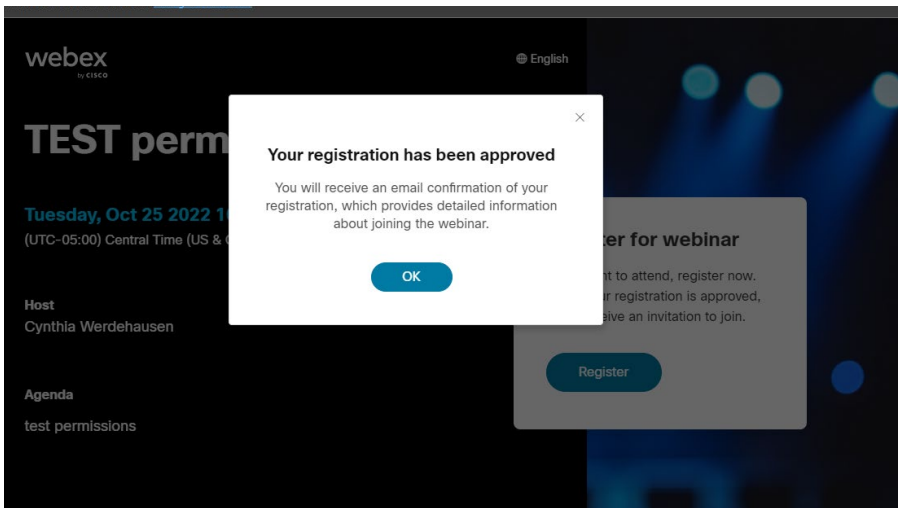

MMAC is transitioning training sessions to WebEx Webinar. Please see the screenshots and registration and how to JOIN WebEx Webinar

You will have to have a WebEx account prior to joining training sessions – if you do not have one set up, please do so, it is free.

The Registration form will pop up; fill out the form and click REGISTER

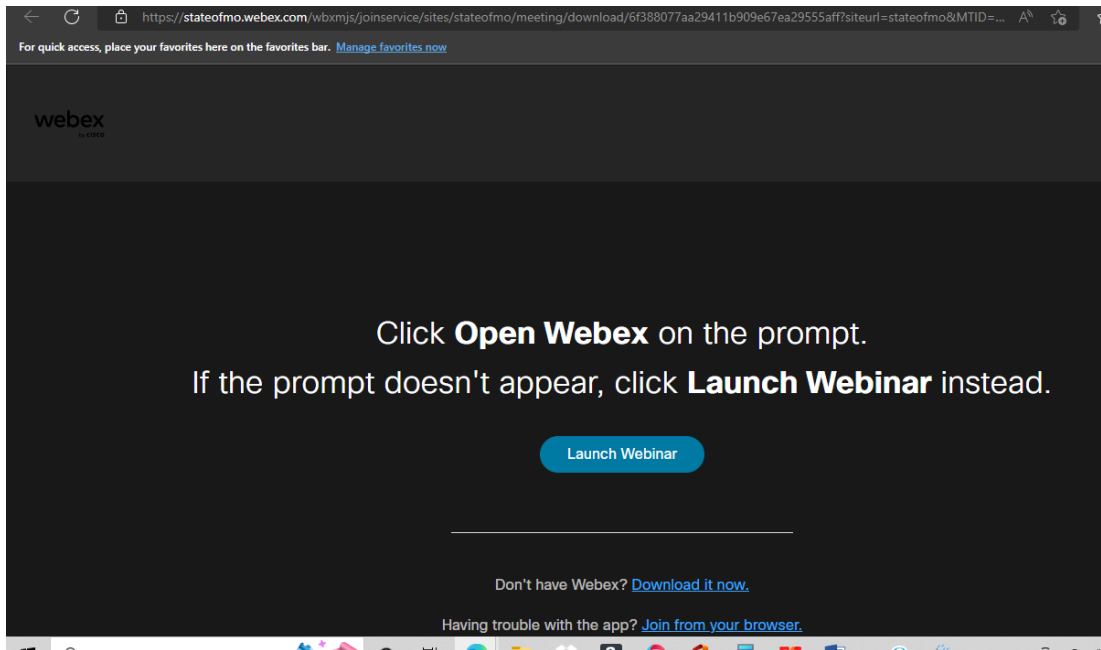

ways to join:

Once you have registered you should receive an email immediately to the email address that registered with. Please check your Junk/Spam folders since the APPROVED registration is an automated response from messenger@webex.com and some email providers may think it is junk mail.

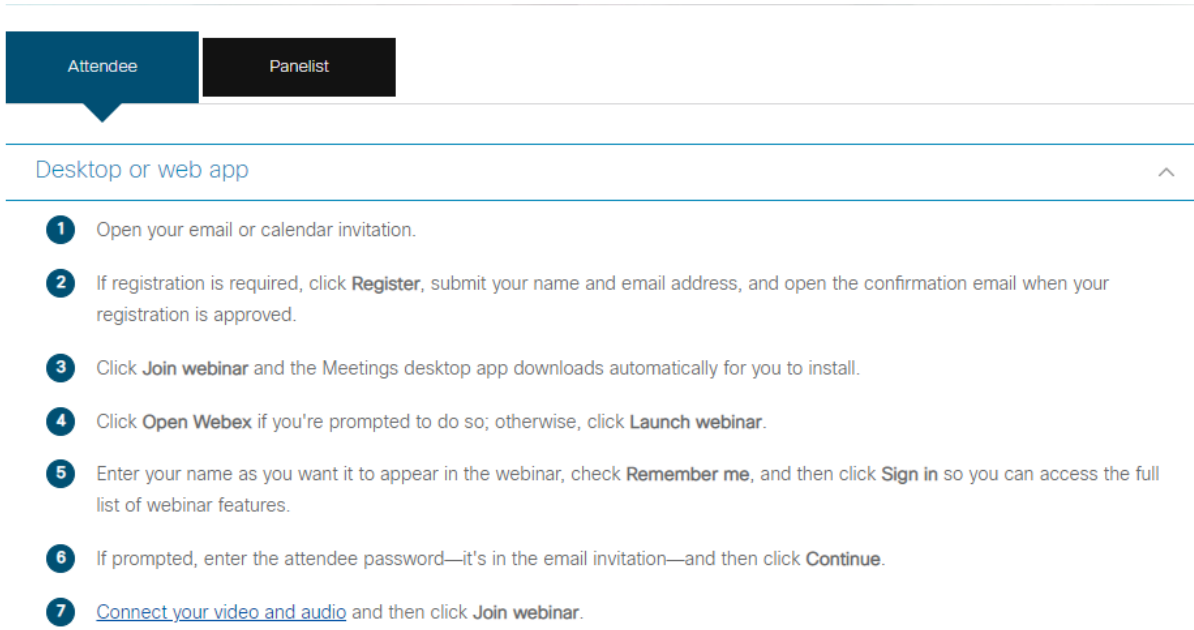

Further in the Event Invitation you will see the link to Join Webinar – you may add this to your calendar and refer back to it on the day of the training.

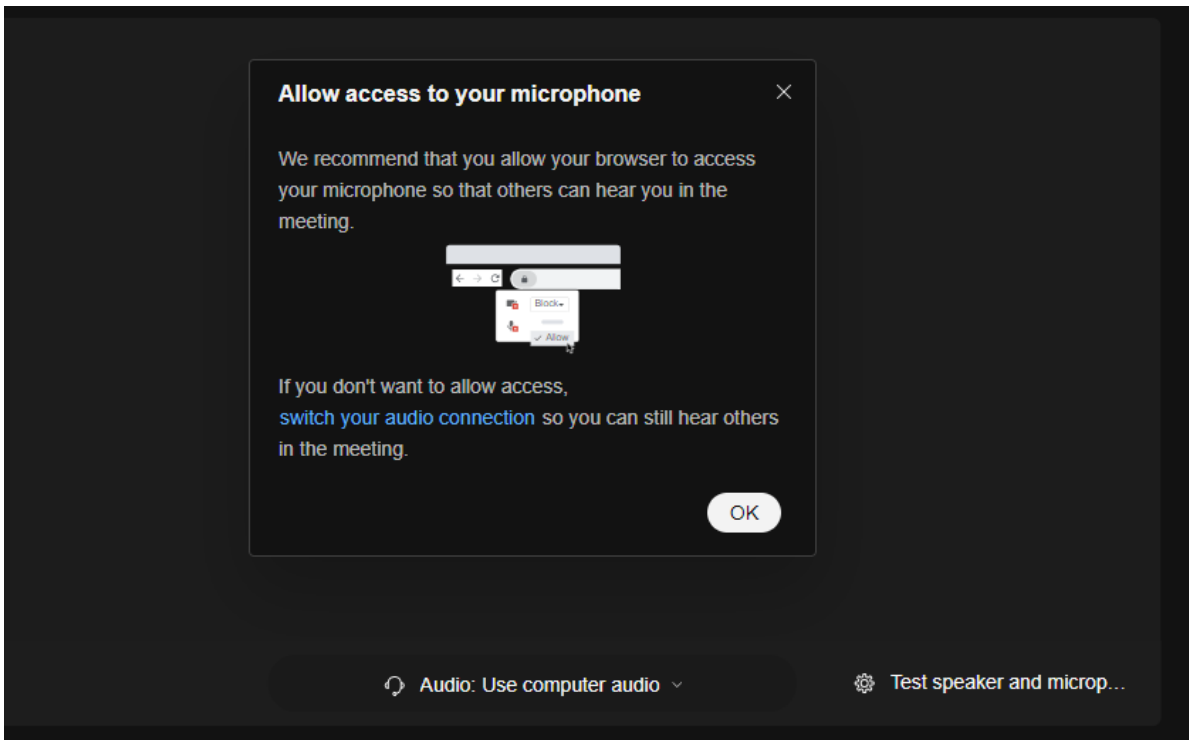

If you don't have the app downloaded – click on "Join from your browser"

If you don't have WebEx account set up or the app downloaded – the system will prompt you. Here is the link to WebEx Support regarding the Webinar system and access, depending on if you are using your phone or mobile device https://help.webex.com/en-us/article/8l0y08/Join-a-webinar#Cisco_Task.dita_8bc9caa6-0c35-4388-b5d0-d7003fb58c48

Below is a screenshot in regards to Attendees and joining from desktop or web app:

You will be prompted to put in your registration # or password and then you should see the screen below allowing you to test your audio options.

Once you are in the screen should look like this:
