ENROLLMENT APPLICATION - INDIVIDUAL

LIMITED ENROLLMENT FOR MANAGED CARE NETWORK PROVIDERS (INDIVIDUALS)

To comply with the Medicaid and CHIP Managed Care Final Rule (CMS-2390-F) and 42 CFR § 438.602(b), each State Medicaid Agency (SMA) must screen and enroll all network providers of contracted MCOs. If you execute a network provider agreement with one or more of the contracted MCOs in Missouri, you must submit this enrollment application to the Missouri Medicaid Audit & Compliance (MMAC) Provider Enrollment Unit within 120 days of the effective date of your MCO contract. You only need to submit one application to MMAC, regardless of how many MCOs you hold a contract with. If you do not complete the application process with MMAC, the MCO(s) is required to terminate your network agreement.

Individual providers completing this application will not submit claims to MO HealthNet, nor will they be required to provide any services to Medicaid Fee for Service participants. If you are already enrolled with MO HealthNet as a billing or performing provider, you do not need to complete this application.

Please type or print legibly using BLACK OR BLUE INK ONLY, and retain a copy of this entire document for your records.

This application is to be used by individual providers and only if you are enrolling for the sole purpose of meeting the federally mandated requirements of the Medicaid and CHIP Managed Care Final Rule (CMS-2390-F) and 42 CFR § 438.602(b). All questions must be completed. Attach additional sheets if necessary to answer each question completely and each additional sheet must display the relevant question number from the application.

If you are already enrolled with MO HealthNet and only need to update your information, please complete and submit a <u>Provider Update Form</u>. If you want to terminate your MO HealthNet enrollment, please complete a <u>Provider Update Form</u>.

Requirements:

42 CFR § 438.602(b) states: (1) The State must screen and enroll, and periodically revalidate, all network providers of MCOs, PIHPs, and PAHPs, in accordance with the requirements of part 455, subparts B and E of this chapter. This requirement extends to PCCMs and PCCM entities to the extent the primary care case manager is not otherwise enrolled with the State to provide services to Fee-For-Services (FFS) beneficiaries. This provision does not require the network provider to render services to FFS beneficiaries. (2) MCOs, PIHPs, and PAHPs may execute network provider agreements pending the outcome of the process in paragraph (b)(1) of this section up to 120 days, but must terminate a network provider immediately upon notification from the State that the network provider cannot be enrolled, or the expiration of one 120 day period without enrollment of the provider, and notify affected enrollees.

This requirement will apply to Ordering, Prescribing, and Referring (OPR) providers in a managed care setting as well.

- > If you are already enrolled with MO HealthNet as a billing or performing provider, you do not need to complete this application.
- > This application is solely for MCO Network providers not participating with the MO HealthNet Fee for Service program. If at any time you would like to become a fully participating MO HealthNet provider, you must enroll by submitting a new enrollment application form for your specific providertype.
- You must have a ten digit National Provider Identifier (NPI). The NPI is the standard, unique health identifier for health care providers and is assigned by the National Plan and Provider Enumeration System (NPPES).
 - The NPI must be for an individual physician or non-physician practitioner (not an organizational NPI).
 - Applying for the NPI is a separate process from MO HealthNet enrollment.
 - To obtain an NPI, apply online at https://nppes.cms.hhs.gov.
 - For more information about NPI enumeration, visitwww.cms.gov/NationalProvIdentStand.

MISSOURI DEPARTMENT OF SOCIAL SERVICES (DSS) – MEDICAID AUDIT AND COMPLIANCE (MMAC) TITLE XIX PARTICIPATION AGREEMENT MO HEALTHNET PROVIDERS

BY MY SIGNATURE BELOW, I, THE APPLYING PROVIDER, READ AND AGREE THAT, upon the acceptance of my enrollment, I will participate in the Managed Care Organization process or Vendor Payment plan for Medicaid Services as it pertains to my enrollment. I am responsible for all services provided and all billing done under my provider number regardless to whom the reimbursement is paid. It is my legal responsibility to ensure that the proper billing code is used and indicate the length of time I actually spend providing a service regardless to whom the reimbursementis paid. I agree to be financially responsible for all services which are not documented. I agree the Missouri Title XIX Medicaid manual, bulletins, rules, regulations and amendments thereto shall govern and control my delivery of service, and further agree to the following terms:

- 1. I agree that it is my responsibility to access manual materials that are available from DSS/MMAC over the Internet. I will comply with the Medicaid manual, bulletins, rules, and regulations as required by the DSS/MMAC and the United States Department of Health and Human Services in the delivery of services and merchandise and in submitting claims for payment. I understand that in my field of participation I am not entitled to Medicaid reimbursement if I fail to so comply, and that I can be terminated from the program for failure to comply;
- 2. The rate of reimbursement for services will be based on charges established and determined by the DSS/MMAC Medicaid manual, bulletins, and amendments thereto in accordance with the Vendor Payment Program, and that charges will not exceed those to the general public for the same services;
- 3. I agree that the selection of an electronic or Internet claim processing method in no way modifies any requirements of the Missouri Medicaid program policies or procedures except those dealing with claim submission. I understand that all data elements required by DSS/MMAC for paper claims are required for claims submitted electronically, and that those claims not meeting required specifications will not be processed. In the event that DSS/MMAC places me on prepayment review, as authorized by State Regulation 13 CSR 70-3.030, or on a closed-end agreement, I agree to submit all claims on paper until notified by DSS/MMAC that electronic or Internet billing can resume;
- 4. I understand that I cannot collect for Title XIX covered services from the recipient-patient, his or her spouse, parent, guardian, relative or anyone else receiving public assistance, and if any payment is received or assured from any other source on the recipient-patient's account, that amount will be deducted from the claim I filed with Title XIX Medicaid. I also understand that I must report any payment so received after provider payment is made by Title XIX to the DSS/MMAC for appropriate adjustment action;
- 5. I agree that I and any contractor, employees, or subcontractors of mine, shall comply with all applicable provisions of State and Federal laws and regulations pertaining to nondiscrimination, sexual harassment and equal employment opportunity including, but not limited to, the following laws and regulations and all subsequent amendments thereto:
 - A. The United States Civil Rights Act of 1964 (as amended), (42 U.S.C. 2000a-2000h)

I and any contractor or subcontractor of mine may not, on the grounds of race, color, national origin, creed, sex, religion, age or disability exclude persons from employment in, deny participation in, deny benefits to, or otherwise subject persons to discrimination under the Medicaid program or any activity connected with the provision of Medicaid services.

- 6. I understand that I am required to make and maintain records, as required by applicable laws, regulations, rules and policies, included but not limited to fiscal records, medical records, and records related to civil rights issues, which fully demonstrate the extent, nature and medical necessity of services and items provided to recipients, which support the fee charged or payment sought for the services and items, and which demonstrate compliance with all applicable requirements. I understand that I am required to retain these records for five (5) years, and shall make them available on request by an authorized representative of the DSS/MMAC or the U.S. Department of Health and Human Services. I further understand that the retained documents must include all records and documents required by applicable regulations and Medicaid manual and bulletin provisions including the original enrollment documents confirming the provider's original signature. I acknowledge that all services billed through the Medicaid Program are subject to post-payment review, and that this may include unannounced on-site review of records. My failure to submit or failure to retain documentation for all services billed to the Medicaid Program may result in recovery of payments for Medicaid services and may result in sanctions to the provider's Medicaid participation;
- 7. I understand that either party to this Agreement may terminate my participation in Medicaid under this agreement upon written notice mailed to either my most recent address recorded in the Medicaid enrollment files or the DSS/MMAC. I will maintain a list of onsite services and a contract with the RHC which specifies off-site services that will be provided under my private or clinic practice.
